

THE SWISS LEADERSHIP ACADEMY PRESENTS:

SILC STUDENT LEADERSHIP CONFERENCE

Known from our leadership workshops and school camps organised for the leading private schools in the UAE and around the world, this one-day conference in Dubai brings together ambitious young students aged 12 to 17 for a high-impact and fun-filled event.

This one day student leadership conference combines workshops and challenges with exciting and fun signature activity modules and games organised by the SILC training team, featuring experts and thought-leaders from emerging industries, global politics and international education.

We bring the best from our school workshops and successful summer leadership camp to this one day conference. This is a unique opportunity on March 23rd at our private and fully catered venue at the Four Seasons Resort at Jumeirah Beach in Dubai.

Don't miss out and register today to secure your child's place!

Leadership Experience

A fun and one of a kind conference perfect for all students aged 12-17

A unique learning experience

This unique conference offers participants the opportunity to enhance their learning and development and kickstart their future in a fun and inspiring way, enhancing results and fulfilment in daily life, sports, academics and exams!

SILC Leadership Modules and challenges

Bringing the best of our successful school workshops, school camps and summer camps to a one-day workshop. Developed from the SILC framework in partnership with leading schools around the world, these modules and activities include leadership workshops and games such as the Pyramid Challenge, the Trading Challenge, the Interview Game, and are fully integrated with the learning outcomes of the conference.

Industry speakers and expert panel

The conference features expert speakers from various industries, bringing students real-world perspective and insight on different aspects of leadership and personal responsibility in the modern world.

Learning by Doing

We combine fantastic games and activities with entertaining team challenges, leadership workshops, expert talks and panel interviews in the beautiful Four Seasons Jumeirah Dubai, with our signature Swiss approach of excellence and learning outcomes developed with some of the best international schools around the world.

Students are guided by a team of senior trainers and meet with industry experts while making new friendships with other students which makes it an exciting and enriching experience to learn and enhance valuable leadership skills, including; goal setting, time management, evaluation, communication skills and presentation techniques.

Top universities

We will be joined by representatives from some of the top universities from around the world providing an opportunity for students and their parents to find out more about the opportunities available to them as they approach the important juncture in their lives where they must consider the next steps for their future.

Practical skills

This is a unique and fun-filled leadership conference that offers students the opportunity to learn and enhance valuable leadership skills, including goal setting, time management, evaluation, communication and presentation techniques and to collaborate more effectively in teams while working on exciting games with experienced trainers. Students learn while doing and make new friends along the way.

Develop skills for success in the 21st Century

The SILC Student Leadership Conference builds on the SILC academic framework and collaborates with world-class organisations to teach students relevant 21st Century skills to prepare them for success in an inter-connected world.

Personal Action Plan & Follow up

Every student receives a Personal Action Plan, one of our signature learning tools. This proven development tool tracks participants' personal achievements, including all competencies and skills learned at the conference, and is a valuable device for planning future academic and personal progress, it is also a great way to show mentors at school, friends or anyone else what you have learned. There is even an option for parents and students to follow up on the learning outcomes one month post conference with our team through Skype.

Step outside the classroom and into a world of possibilities

Our programme is specially designed using the SILC curricular framework to combine fun activities and exciting games alongside training sessions and personal evaluations, and is a powerful tool for developing student learning and leadership skills.

Parents and students cafe

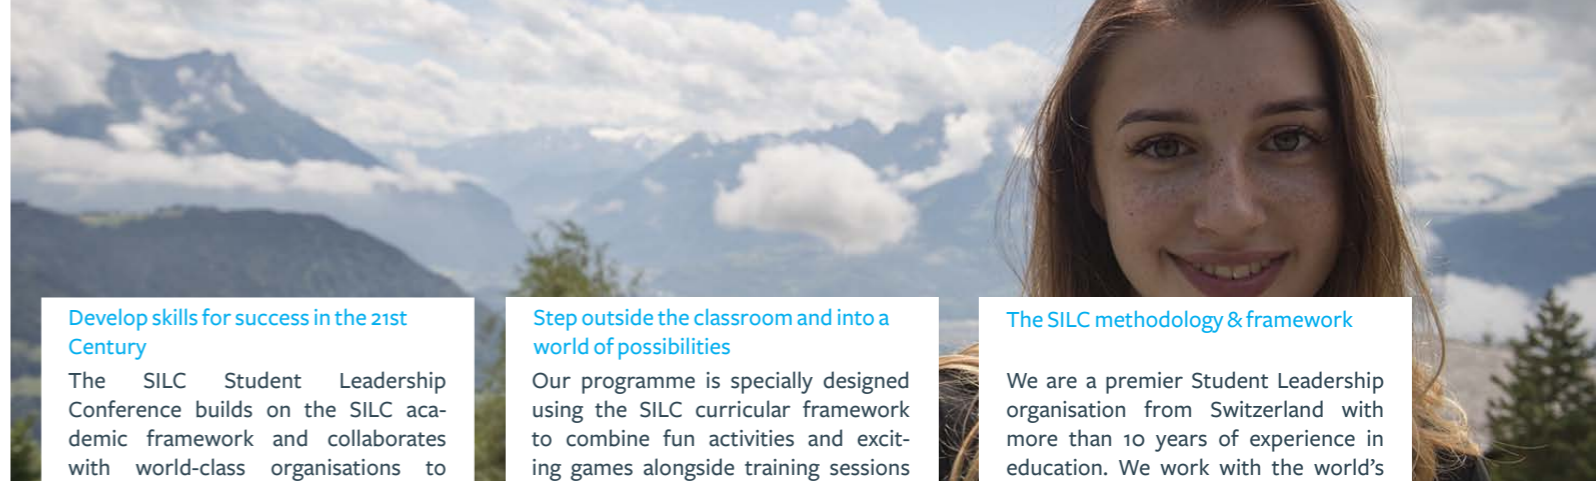

It's not all for students! Our parents and students cafe, open between 09:00-10:00 and 18:30-20:00, is a space for parents to socialise, get refreshments, join scheduled talks and meet with our partners. Parents and students have the opportunity in meeting with any of our partners to find out more about the organisation and ask any questions.

The SILC methodology & framework

We are a premier Student Leadership organisation from Switzerland with more than 10 years of experience in education. We work with the world's most prestigious schools to unlock student's potential with our school workshops and pedagogically aligned school and summer camps.

Exclusive venue and all-inclusive programme

The event is hosted at the exclusive Four Seasons Jumeirah Resort in Dubai. All food and drink is provided, including morning and evening refreshments for parents, a healthy lunch and exciting evening meal for students during the networking gala - packed with live entertainment, live music at the beach and a surprise leadership challenge.

Valuable skills

The conference is based on a proven format developed with the leading schools around the world, private schools in the UAE as well as our acclaimed summer leadership camp in Switzerland and is led by senior trainers from SILC. Welcoming guest speakers and thought-leaders from emerging industries it is an enriching and fun opportunity to learn and enhance valuable leadership skills through interactive games and activities during which students learn a variety of practical skills. All students finish the conference with a personal action plan identifying the skills they would like to improve and describe how to accomplish their goals based on their experiences during the conference. Each student will also receive a certificate of participation.

Time management and leadership

Manage time and decisions effectively by setting short and long term goals, make constructive choices how to spend time and learn everyday by effective self evaluation.

Teamwork

Develop personal talents, align specific team roles in a team, motivate team members and create synergy while achieving outstanding results.

Communication and interpersonal skills

Enhance communication skills in the areas of presentations, media training, effective conflict management and university applications and interviews.
